Request for Permission Reprint/Reproduce CCHP Health and Safety Materials

California Childcare Health Program

The California Childcare Health Program (CCHP) enhances the quality of child care for California’s children by initiating and strengthening linkages among the health, safety and child care communities and the families they serve.

| □ CCHP Health and Safety Checklist             |       | □ Other (specify)                   |        |

3. We will reprint/reproduce _______ (number of) pieces and will distribute to: ____________________________________________
   Distribution method:
   Other method of distribution:
4. We _____ are _____ are not charging for the material in which this CCHP information is to be included. If there is to be a charge please indicate the amount $ ____________.

5. We are requesting permission to do the following (check the appropriate option):

☐ Reproduce an exact reprint of the full CCHP document. If reprint permission is granted, we understand that the following condition(s) in the CCHP permission letter will apply:
   a. For reprints from the CCHP Publications the following notice must be included with the published material (minimum 8-point type):

   "Reprinted with permission from California Childcare Health Program (CCHP). © Copyright (copyright date). Copying of any portion of this material is not permitted without written permission of CCHP."

   b. A copy of the published material must be sent to CCHP (address below) within one month of the publication.

   c. The agreement pertains to a one time only reprinting of the material described on the form.

☐ Reproduce a portion of a CCHP document that has been edited in any way. If you request to reprint only a portion of the CCHP document or to edit it any way, you must provide CCHP with a copy of the exact use that is requested. CCHP reserves the right to review the requested use with a fee of $100 per hour to be paid by you (at CCHP discretion, the fee may be waived or requested in advance of the work being performed). If permission is granted, the terms of use of this kind of reprint will be stated in CCHP’s permission letter.

☐ Other (Please explain): __________________________________________________________________________________
